Progressive background in UI/UX practices and techniques with HTML, CSS, JS, and React. 6+ years of experience in sensitive, small business work-ethics, and fast-paced environments.

Customer oriented team player focused on business growth and development. Adaptable Office Administrator specialized in Aviation Insurance with a B.S. in Business Economics.

EDUCATION

CODIFY ACADEMY
Front-End Web Development | 2017

UC IRVINE
Business Economics | 2015

EXPERIENCE

FRONT END DEVELOPER | San Francisco, CA | 2016 to 2017

- ➔ Utilized API's to create numerous dynamic applications with HTML, CSS, JavaScript, jQuery, React, and React Native
- ➔ Pushed to Github with GIT version control to work with developers remotely
- ➔ Sketch conversions into working HTML, CSS, and JS
- ➔ Creating and developing full MERN and MEAN stack apps

OFFICE ADMINISTRATOR | San Carlos, CA | 2015 to 2017

- ➔ Managed and debugged the small business website
- ➔ Sped up the development process for creating Pleasure & Business renewals and invoices
- ➔ Received client and business information and created prospective documents for underwriters to quote
- ➔ As part of a small team, increased customer account retention, averaging 5+ accounts per month
- ➔ Reconciled and reported customer renewal information during meetings

SECTION LEADER | Hillsdale, CA | 2010 to 2017

- ➔ Oversaw the opening of the alcohol section, memorizing all products, and writing section orders
- ➔ Anticipated weekend rushes and increased average product sales by 5%
